

# Summer mountaineering

## Summary

- [Haute-Route](#)
- [Glacier trekking](#)
- [Our classics](#)
- [The 4'000m peaks of the Alps](#)
- [Mont-Blanc](#)
- [High mountains photo gallery](#)

*It's a lot of perspiration to reach the summit on a high mountain but what a pleasure ! Up high, emotions are more intense !*

## The Haute Route

For more than 100 years, the famous journey between Chamonix and Zermatt has been going following trails and crossing glaciers. The most beautiful points of view are your most unforgettable moments.

Minimum 3 days, for the most impatient !
